

## STUDENT AFFAIRS COUNCIL

Tuesday, August 30, 2016

### AGENDA

- I. Welcome & Introductions – Dan Maxwell, University of Houston
  - The meeting commenced shortly after 3:30 p.m. Everyone present went around the table and introduced themselves.
- II. Introduction of new TMC SAC members
- III. Council Planning: TMC Serves: One Day. One Event. One Purpose. – Danielle Taylor and Regiland Charles Toussant
  - **November 19, 2016**
  - A pep rally will take place in the morning before the event. During this event, we will invite a member of the TMC campus to come speak to the council on the importance of community service and students giving back.
  - A way to promote this event is to start promoting this across campus. The council members will be pushing this out through their personal channels, as well as, other forms of social media. At the meeting, students were provided with posters and the electronic versions are attached to the highlights for students to distribute. Another new idea the students will be doing to promote the event is through sidewalk stickers. The stickers will be placed near bus stops and around student areas on campus.
  - Overall, the students decided this event will showcase the student life through the TMC member institutions. It encompasses a great way to get publicity and sense of giving back to the community. Also, this is a great opportunity for students from different schools to network and work together.
  - Below you will find a list of the institutions that participated in last year's event.
    - Baylor College of Medicine, Houston Methodist, Prairie View A&M College of Nursing, Rice University, Texas Southern University, University of Houston, UT MD Anderson Cancer Center and UTHealth.
