Academic Medicine, September, 2006

**GRANTS
AWARDED:**

Principal Investigator, "Model of Dysrhythmias after Heart Surgery in Children", American Heart Association, Texas Affiliate (1979-1980), \$14,962.00; renewed (1980-1981), \$15,495.00

Young Investigator Research Award, "Model of Dysrhythmias after Congenital Heart Surgery", National Institutes of Health, HL24916 - 01 to 03 (1980-1983), \$107,500.00

Principal Investigator, "Hemodynamics of Sudden Cardiac Death in Children", American Heart Association, Texas Affiliate (1982-1984), \$54,670

Principal Investigator, "Model of Dysrhythmias after Congenital Heart Surgery", National Institutes of Health, HL24916 - 04 to 06 (1983-1986), \$275,600

Established Investigator Award, American Heart Association (1984-1989), \$160,000

Sponsor, "Cellular Electrophysiology of AV Node Reentry", National Institutes of Health, National Research Service Award, R.A. Friedman, Principal Investigator, F32-HL06688 (1983-1985), \$31,704.00

Co-Principal Investigator, "Microelectrode Studies of Phenytoin in Human Atrial and Ventricular Tissue", Dreyfus Medical Foundation (1985-1987), \$47,300.00

Co-Investigator, "Long QT Syndrome: Population, Genetic and Cardiac Studies", National Institutes of Health, A.J. Moss, Principal Investigator, HL33843 (1985-1990), \$565,000

Sponsor, "Developmental Cellular Electrophysiology in Human Heart", National Institutes of Health, National Research Service Award, J.F. Strasburger, Principal Investigator, F32-HL07407 (1986-1987), \$27,996.00

Co-Principal Investigator, "Cellular Electrophysiology of Human Cardiomyopathy", Dreyfus Medical Foundation (1987-1988), \$9,000.00

Responsible Investigator, "Specialized Center for Research in Heart Failure", National Institutes of Health RFA 87-HL-26H (SCOR), Robert Roberts, M.D., Principal Investigator, (1989-1994), \$4,000,000.00, Principal Investigator, "Model of Dysrhythmias After Congenital Heart Surgery", National Institutes of Health, HL24916 - 07 to 11 (1987-1992), \$1,085,090.00

Co-Sponsor, "Alpha Actin Gene Regulation in Cardiac Myocytes", American Heart Association Clinician-Scientist Award, Tim C. McQuinn, Investigator, 900444 (7/90-6/93), \$114,000

Co-Investigator, "Development of the Autonomic Nervous System in Infants: Possible Mechanism of Supraventricular Tachycardia", American Heart Association, N.C. Affiliate 7/94-6/96 0, \$16,965

Principal Investigator, General Clinical Research Center, National Institutes of Health, MO1 RR00847-31, (3/1/01-2/28/11), \$4,189,644

Co-Investigator, University of Virginia Patient Education Institute, Anthem Health Care, (2004-2006); direct costs \$750,000

Co-Investigator, W. K. Kellogg Foundation, Tailored Educational Approaches for Consumer Health (TEACH): A new model to improve the delivery of health information to consumers. \$200,000 per year, 2012-2015.

**DATA SAFETY AND
MONITORING BOARD:**

Co-Chair, "Prospective Assessment after Pediatric Cardiac Ablation," National Institutes of Health, George F. Van Hare, Principal Investigator (1998-2002)

**CONTRACTS
AWARDED:**

Principal Investigator (Cardiology), "Pediatric Lung and Heart Complications of Human Immunodeficiency Virus Infection", National Institutes of Health NO1-HR-96040 (1989-1995), \$4,164,050

**GRANTS
FOUNDED:**

American Academy of Pediatrics, Cardiology Section
Young Investigator Grant, \$30,000 per year (1989)

PATENTS:

Garson A. Electronic system to distinguish between sinus and nonsinus atrial depolarizations (U.S. patent No. 4,712,554; European Patent No. 070748, 1990)

Garson, A. System and Method for Delivering Improved Medical Outcomes (14/585,856), pending.

VISITING PROFESSORSHIPS:

1. Institute of Cardiology, Quebec, Canada, February 1980
2. Meir General Hospital, Jerusalem, Israel, November 1981
3. Hopital Sainte-Justine, Montreal, Canada, December 1981
4. Medical College of Georgia, Augusta, Georgia, September 1982
5. University of Parma, Parma, Italy, May 1983
6. Hopital Sainte-Justine, Montreal, Canada, September 1983
7. University of Cairo, Cairo, Egypt, February 1984
8. Hopital Enfants Malades, Paris, France, March 1984
9. New York University, New York, New York, April 1984
10. McGill University, Montreal Children's Hospital, Montreal, Canada, February 1985
11. University of Oklahoma, Oklahoma City, Oklahoma, March 1985
12. Tulane University, New Orleans, Louisiana, March 1985
13. University of Puerto Rico, San Juan, Puerto Rico, April 1985
14. Hopital Enfants Malades, Paris, France, May 1985
15. University of Parma, Parma, Italy, May 1985
16. University of Pittsburgh, Pittsburgh, Pennsylvania, September 1985
17. Johns Hopkins University, Baltimore, Maryland, September 1985
18. Yale University, New Haven, Connecticut, October 1985
19. Case-Western Reserve University, Rainbow Babies and Children's Hospital, December 1985
20. Kinderklinik, Medizinische Hochschule, Hannover, Germany, February 1986
21. Deutsches Herzzentrum, Munich, Germany, February, 1986
22. Vanderbilt University, Nashville, Tennessee, April 1986
23. Hopital Enfants Malades, Paris, France, May 1986

24. University of Buenos Aires, Buenos Aires, Argentina, October 1986
25. University of Chile, Santiago, Chile October 1986
26. Hospital Del Lago, Rio de Janeiro, Brazil, October 1986
27. Ospedale Pediatrica Bambino Gesu, The Vatican, November, 1986
28. Johns Hopkins University, Baltimore, Maryland, February 1987
29. University of Louisville, Louisville, Kentucky, March 1987
30. Wayne State University, Detroit, Michigan, May 1987
31. University of Helsinki, Helsinki, Finland, May 1987
32. University of Texas, Southwestern, Dallas, Texas, July 1987
33. University of Parma, Parma, Italy, September 1987
34. Hospital for Sick Children, Great Ormond Street, London, England, October 1987
35. University of California, San Francisco, San Francisco, California, October 1987
36. Hopital Sainte-Justine, Montreal, Canada, April 1988
37. Long Island College Hospital, Brooklyn, New York, April 1988
38. Institute of Cardiology, Moscow, U.S.S.R., May 1988
39. First Medical Institute, Leningrad, U.S.S.R., May 1988
40. University of Virginia, Charlottesville, Virginia, September 1988
41. Hospital Del Lago, Rio de Janeiro, Brazil, November 1988
42. University of Pittsburgh, Pittsburgh, Pennsylvania, March 1989
43. Hopital Enfants Malades, Paris, France, March 1989
44. University of Bari, Bari, Italy, June 1989
45. University of Kansas, Topeka, Kansas, August 1989
46. Cleveland Clinic, Cleveland, Ohio, August 1989
47. Children's Hospital of Philadelphia, Philadelphia, Pennsylvania, August 1989

48. University of Minnesota, Minneapolis, Minnesota, January 1990
49. Mayo Clinic, Rochester, Minnesota, February 1990
50. Erasmus University, Rotterdam, The Netherlands, May 1990
51. Brookdale Medical Center, Brooklyn, New York, June 1990
52. Hopital Cantonal, Geneva, Switzerland, May 1991
53. Kardiocentrum, University Hopital Motol, Prague, Czechoslovakia, May 1991
54. Tripler Army Medical Center, Honolulu, Hawaii, August 1991
55. Princess Margaret Hospital, Perth, Australia, August 1991
56. Royal Children's Hospital, Melbourne, Australia, August 1991
57. The Children's Hospital, Sydney, Australia, August 1991
58. Green Lane Hospital, Auckland, New Zealand, August 1991
59. Medical University of South Carolina, Charleston, South Carolina, October 1991
60. Hopital Necker-Enfants Malades, Paris, France, March 1992
61. Hannover Medical School, Hannover, Germany, April 1992
62. National Heart and Lung Institute, London, England, May 1992
63. Cleveland Clinic, Cleveland, Ohio, June 1992
64. James R. Quillen School of Medicine, Johnson City, Tennessee, October, 1992
65. University of Maryland, Baltimore, Maryland, October, 1992
66. Bowman Gray School of Medicine, Winston Salem, North Carolina, February, 1993
67. Michael Reese Hospital, Chicago, IL, April, 1993
68. University of Arkansas, Little Rock, Arkansas , May, 1993
69. Case-Western Reserve University, Cleveland, Ohio, May, 1993
70. Cleveland Clinic, Cleveland, Ohio, May, 1993
71. Hopital Necker-Enfants-Malades, Paris, France, June, 1993
72. Indiana University, Indianapolis, IN, July, 1993

73. University of California, Los Angeles, September, 1993
74. Cardiovascular Institute, San Juan, PR, September, 1993
75. Providence Hospital, Anchorage, Alaska, October, 1993
76. Medical University of South Carolina, April, 1994
77. University of Parma, Parma, Italy, April, 1994
78. Georgetown University, Washington, D.C., May, 1994
79. Hopital Necker-Enfants Malades, Paris, France, June, 1994
80. Garrahan Children's Hospital, Buenos Aires, Argentina, August, 1994
81. University of Alberta, Edmonton, Alberta, October, 1994
82. University of Cape Town, Cape Town, South Africa, November, 1994
83. University of Toronto, Toronto Canada, May, 1995

219. LSU School of Medicine, New Orleans, June 2015.
220. University of Indonesia, June 2015
221. University of California Los Angeles, October 2015
222. University of Wisconsin, November 2015
223. USC – Los Angeles Children’s Hospital, January 2016

**CONSULTANT TO
DEPARTMENTS OF
PEDIATRICS:**

1. University of Minnesota, Minneapolis, Minnesota, October 1989
2. Mayo Clinic, Rochester, Minnesota, February 1990
3. Cleveland Clinic, Cleveland, Ohio, June 1992
4. Cleveland Clinic, Cleveland, Ohio, February 2002
5. Scientific Advisory Committee-Children’s Research Institute, Children’s National Medical Center, Washington, DC, October 2005

CONSULTANT TO MEDICAL SCHOOL:

1. Oxford University, Oxford, United Kingdom (Accreditation) June 2005.
2. Eastern Virginia Medical School, Norfolk, Virginia, October, 2005.

CONSULTANT TO UNIVERSITY:

1. University of Maryland School of Public Policy, Academy of Leadership, April 2009.
2. University of Johannesburg, review of 11 health schools, September 2013.

CONSULTANT TO FOREIGN GOVERNMENTS:

1. Minister of Health, Bangladesh, January 2010
2. Health Minister, Panama 2010-2011
3. Health Minister, Bangladesh 2010-2011
4. Health Minister, Victoria, Australia 2011
5. Director, Australian Health Workforce Institute 2011
6. Health Minister, Hong Kong 2010-2011
7. Health Minister, Malaysia 2010-2011
8. Health Minister, Valencia, Spain 2010-2011
9. Chief Medical Officer, St. Kitts and Nevis, January 2012
10. Health Minister, St. Kitts and Nevis, January 2012
11. Secretary of Health, Puerto Rico, January 2012
12. Director, Health Workforce Australia, February 2012
13. Health Minister, Malaysia, February 2012
14. Minister of Health, Paris, France, September 2012
15. Minister of Health, Myanmar, September 2012
16. Minister of Health, Malaysia, September 2012
17. Minister of Health, Panama, November 2012
18. Minister of Health, Emilia-Romagna, Province of Italy, January, 2013
19. Minister of Health, National Health Service, Edinburgh, Scotland, February 2013

20. Minister of Health, National Health Service, London, England, May 2013
21. Minister of Health, Singapore, May 2013
22. Minister of Health, Hong Kong, May 2013
23. Minister of Health, Parma, Italy, June 2013.
24. Minister of Health, Abu Dhabi, September 2013.
25. Vice Minister of Health, Gauteng Province, South Africa, September 2013.
26. Minister of Health, Assistance Publique, France, September 2013.
27. Minister of Health, Medellin Colombia, October 2013.
28. Vice Minister of Health, Scotland, November 2013.
29. Vice Minister of Health, National Health Service, London, England, May 2014
30. Vice Minister of Health, Sydney Australia, June 2014
31. Minister of Health, Valencia, Spain, November 2014
32. Mayor, Parma, Italy, May 2015
33. Minister of Health, St. Kitts and Nevis, May 2015
34. Minister of Health, Valencia, Spain, January 2016

TRAINEES:

Advanced Pediatric Cardiac Electrophysiology - Baylor College of Medicine

1. Liisa Maakinen, M.D., Helsinki, Finland, 1984
2. Edward Walsh, M.D., Boston, 1985
3. Richard T. Smith, Jr., M.D., Houston, 1985
4. David Burton, M.D., Philadelphia, 1986
5. Lee Beerman, M.D., Pittsburgh, 1986
6. Anne Fournier, M.D., Montreal, Canada, 1986
7. Giacomo Pongiglione, M.D., Naples, Italy, 1987
8. Elizabeth Villain, M.D., Paris, France, 1987
9. Christopher Wren, M.D., Newcastle-upon-Tyne, England, 1987

10. Cecile Marchal, M.D., Nancy, France, 1988
11. Janette Strasburger, M.D., Houston, 1988
12. Richard Friedman, M.D., Houston, 1988
13. Thomas Paul, M.D., Hannover, Germany, 1989
14. Paolo Guccione, M.D., Rome, Italy, 1989
15. George Van Hare, M.D., San Francisco, 1989
16. James Christiansen, M.D., Augusta, 1989
17. Robert Hamilton, M.D., Toronto, 1989
18. James Perry, M.D., Houston, 1989
19. Susan Denfield, M.D., Houston, 1990
20. Timothy Knilans, M.D., Cincinnati, 1991
21. Arnold Fenrich, M.D., Houston, 1992
22. Naokata Sumitomo, M.D., Tokyo, Japan, 1992

Pediatric Cardiology - Baylor College of Medicine

1. David Mayer, M.D., 1988
2. Timothy Bell, M.D., 1989
3. Theodore Carlson, M.D., 1989
4. David McIrvine, M.D., 1989
5. James Perry, M.D., 1989
6. Charlie Sang, M.D., 1989
7. Lloyd Tani, M.D., 1989
8. Jeffrey Towbin, M.D., 1989
9. Susan Denfield, M.D., 1990
10. Christopher Erickson, M.D., 1990
11. Roma Ilkiw, M.D., 1990
12. Tim McQuinn, M.D., 1990
13. Wanda Miller-Hance, M.D., 1990
14. Steven Neish, M.D., 1990
15. Paul Seib, M.D., 1990
16. Bruce Gelb, M.D., 1991
17. Ronald Grifka, M.D., 1991
18. Susan Hess, M.D., 1991
19. Carolyn Altman, M.D., 1992
20. Allison Cabalka, M.D., 1992
21. Arnold L. Fenrich, Jr., M.D., 1992
22. Tal Geva, M.D., 1992
23. Ameeta Martin, M.D., 1992
24. Michael Slack, M.D., 1992
25. Michael White, M.D., Ph.D., 1992

Pediatric Cardiology - Duke University

1. Jennifer Li, 1993
2. Hani Zriek, 1994
3. Ziad Saba, 1995
4. Charles Trant, 1995
5. J. Blake Long, 1995

Advanced Pediatric Cardiology Electrophysiology - Duke University

1. J. Blake Long, 1994

Master of Public Policy -- Duke University

1. Jennifer Archer, Thesis Committee, 1992

Master of Business Administration -- Duke University

1. Joan Riff, Project Advisor, 1992
2. David Axelrod, 1995

Health Policy - Duke University School of Medicine

1. Robb Romp, 1994
2. Keith Aldridge, 1994
3. Mark Weinberg, 1995

Master of Public Health – University of Texas School of Public Health

1. Randall Zarin, 1998

Doctor of Public Health – University of Texas School of Public Health

1. David Pinter, 1998

INVITED LECTURES:

1. Indonesian Congress of Cardiology, Surabaya, September 1978
2. Philippine College of Cardiology, Manila, May 1980
3. European Association of Pediatric Cardiology, Bordeaux, May 1983
4. Egyptian College of Cardiology, Cairo, February 1984
5. Twelfth Annual Leo M. Taran Memorial Lecture, New York University, New York, April 1984

6. Montreal Cardiac Society, Montreal, February 1985
7. International Symposium on Fulguration and Laser in Cardiac Dysrhythmias, Paris, April 1985
8. Second Puerto Rican Congress of Cardiology, San Juan, Puerto Rico, April 1985
9. Cardiovascular Pharmacology International Symposium, Geneva, Switzerland, April 1985
10. Second World Congress of Pediatric Cardiology, New York, June 1985
11. Twelfth Inter-American Congress of Cardiology, Vancouver, June 1985
12. First International Symposium on Ventricular Tachycardia, Vittel, France, May 1986
13. Thirteenth International Congress on Electrocardiography, Washington, D.C., September 1986
14. Second Argentine Congress of Pediatric Cardiology, Buenos Aires, Argentina, October 1986
15. Second Arthur M. Katz Memorial Lecture, Johns Hopkins University, Baltimore, Maryland, February 1987
16. Eighth Kareem Minhas Memorial Lecture, University of Louisville, Louisville, Kentucky, March 1987
17. First Paul V. Woolley, Jr., Memorial Lecture, Wayne State University, Detroit, Michigan, May 1987
18. Association Pour L'Information Cardiologique, St. Malo, France, September 1987
19. Second Cardiovascular Pharmacotherapy International, Symposium, San Francisco, California, September 1987
20. Fourth Joseph P. Bongiorno Memorial Lectureship in Pediatrics, Brooklyn, New York, April 1988
21. Symposium on Cardiac Pharmacology, Moscow, U.S.S.R., May 1988
22. American Academy of Pediatrics, San Francisco, CA, October 1988
23. First International Conference on Arrhythmias in Infancy, Bari, Italy, June 1989
24. Advances in the Management of Ventricular Arrhythmias, Puerto Vallarta, Mexico, November 1989
25. Third World Congress of Pediatric Cardiology, Bangkok, Thailand, December 1989

26. Current Concepts in the Study and Management of Atrial Arrhythmias, Lyon, France, December 1989
27. Eleventh World Congress of Cardiology, Manila, Philippines, February 1990
28. Plenary Lecture, American Academy of Pediatrics, Seattle, WA, June 1990
29. Seventeenth Annual Symposium for Directors of Adult Cardiology Programs, Atlanta, GA, March 1991
30. State of the Art 1991 Lecture, Association of European Pediatric Cardiologists, Geneva, Switzerland, May 1991
31. Australia and New Zealand Cardiac Society, Perth, Australia, August 1991
32. Andrew Harper Lecture, Medical University of South Carolina, October 1991
33. Scientific Conference on the Insurability of the Adolescent and Young Adult with Heart Disease, American Heart Association, Columbus, OH, October 1991
34. Featured Research in Pediatric Electrophysiology, American Heart Association, Anaheim, CA, November 1991
35. Seventh Annual Course in Cardiac Surgery, London, England, May 1992
36. Fourth Albert R. Winner Memorial Lecture, University of Maryland, Baltimore, October 1992
37. Fifth Annual Symposium for Directions of Pediatric Cardiology Training Programs, American College of Cardiology, Anaheim, California, March 1993
38. Third Annual Conference for Parents of Medically Fragile Children, Chapel Hill, North Carolina, May 1993
39. Third Annual Conference on Congenital Heart Disease, Children's Heart Center, Chicago, Illinois, May 1993
40. Plenary Lecture, Fourth World Congress of Pediatric Cardiology and Cardiac Surgery, Paris, France, June 1993
41. First Philip Magaziner Lecture, Univ. of Colorado, Denver, August 1993
42. City Council of Parma, Parma, Italy, April 1994
43. Plenary Lecture "Healthcare in the Nineties," Houston, Texas, July 1994
44. Plenary Lecture, North Carolina - South Carolina Chapters, American College of Cardiology, Myrtle Beach, South Carolina, September 1994

45. Fifth Annual John Keith Lecture, Canadian Cardiovascular Society, Edmonton, Alberta, Canada, October 1994
46. Plenary Lecture, South African Congress of Cardiology, Cape Town, South Africa, November 1994
47. William McDonald Lectureship, University of Toronto, Toronto, Canada, May 1995
48. Hank Visser Lectureship, Erasmus University of Rotterdam, The Netherlands, May 1995
49. Sixth McCue Lectureship, Medical College of Virginia, September 1995
50. Finnish Cardiac Society, Helsinki, Finland, October 1995
51. Interamerican Congress of Cardiology, Santiago, Chili, December 1995
52. Cardiotim, Nice, France, June 1996
53. Don McLeod Memorial Lectureship, Dalhousie University, Halifax, Nova Scotia, February 1997
54. Plenary Lecture, Brazilian Society of Cardiology, Sao Paulo, Brazil, September 1997
55. Association of American Medical Colleges, Washington, D.C., January 1998
56. Association of Academic Health Centers, Annual Meeting, Tucson, Arizona, September 1998
57. Duke University, Private Sector Conference, Durham, North Carolina, March 1999
58. Presidential Convocation Address, American College of Cardiology, New Orleans, Louisiana, March 1999
59. City Council, Parma, Italy, June 1999
60. Interamerican Congress of Cardiology, Buenos Aires, Argentina, August 1999
61. Japanese College of Cardiology, Yokohama, Japan, September 1999
62. Thailand Cardiac Society, Bangkok, Thailand, September 1999
63. French Cardiac Society, Paris, France, January 2000
64. European Health Policy Summit, European Society of Cardiology, Sofia Antipolis, France, March 2000
65. Presidential Plenary Address, American College of Cardiology, Anaheim, California, March 2000

66. Plenary Address, Cardiology in the Young, Hospital for Sick Children, Great Ormond Street, London, England, April 2000
67. Joseph E. Welker Lecture, University of Missouri, Kansas City, Missouri, April 2000
68. Plenary Lecture, The Adult with Congenital Heart Disease, Portland, Oregon, May 2000
69. John Patterson Lecture, Irish Cardiac Society, Belfast, Northern Ireland, June 2000
70. Plenary Lecture, Technological Change in Global Healthcare, Stanford, California, September 2000
71. Plenary Lecture, First Sino – U.S. Conference on Health Policy, Houston, Texas, February 2001
72. Plenary Lecture, Association of Academic Health Centers Chief Administrative Officers Meeting, Portland, Oregon, July 2001
73. Blue Ridge Academic Health Group, Santa Fe, New Mexico, July 2001
74. Mannheimer Distinguished Lectureship, European Society of Cardiology/Association of European Pediatric Cardiology, Stockholm, Sweden, September 2001
75. The Commonwealth Fund, Task Force on Academic Health Centers, October 2001
76. Plenary Lecture, American College of Cardiology, Orlando, Florida, March 2002
77. Plenary Lecture, North American Society of Pacing and Electrophysiology, San Diego, California, May 2002
78. Plenary Lecture, American Heart Association/American College of Cardiology Conference on Question of Care and Orgeomies Research, October 2002
79. Sylvia Griffiths Lecture, Columbia University, New York, New York, October 2002
80. Institute of Medicine of the National Academy of Sciences, Washington, D.C., November 2002
81. International Symposium on Biomedicine, Fortaleza, Brazil, February 2003
82. Tennessee Board of Medicine, Nashville, Tennessee, April 2003
83. Blue Ridge Academic Health Group, Atlanta, Georgia, July 2003
84. University of Florida, Jacksonville, FL, February, 2004
85. Plenary Lecture, University of Texas, Dallas, Texas, April 2004

86. Plenary Lecture, Faculty Development, Association of American Medical Colleges, Boston, MA, November, 2004
87. Janet Baldwin Lecture, Columbia University, New York, New York, January 2005
88. Ochsner Clinic, Commencement Lecturer, New Orleans, LA, June, 2005
89. Fourth World Congress of Pediatric Cardiology, Buenos Aires, Argentina, September, 2005
88. Universitas 21, Lund, Sweden, September, 2005
89. AMSA Paul Ambrose Legislative Affairs Conference, Washington, DC, September, 2006
90. Baker Institute, Rice University, Houston, Texas, February 2007
91. XIV Puerto Rican Congress of Cardiology, Fajardo, Puerto Rico, July 2007
92. Alex J. Weinstein Memorial Lecture, Johns Hopkins University, School of Medicine, Baltimore, Maryland, October 2007
93. David J. Driscoll Lectureship, Mayo Clinic, Rochester, Minnesota, June 2008
94. University of Sydney, Australia, August 2008
95. Association of American Universities, Annual Meeting, Laguna, California, September 2008
96. Virginia Health Care Foundation, U.S. Health Care System: Yesterday, Today and Tomorrow, September 2008
97. Delaware Academy of Medicine, Newark, Delaware, October 2008
98. Peking Union Medical College, Beijing, China, October 2008
99. Wenzhou Medical College, Shanghai, China, October 2008
100. East China Normal University, Health Care Reform in the Obama Administration and Beyond, Shanghai, China, March 2009
101. Tsinghua University, World Leaders Forum: Tomorrow's Health Care Workforce: The Grandparent Corps, Beijing, China, March 2009
102. Plenary Lecture: American College of Cardiology, Health Care in the Obama Administration and Beyond, March 2009

103. Cornell University, First Presidential Lecture on Current Affairs, Ithaca, New York, April 2009
104. National University of Panama, Panama City, Panama, April 2010
105. Pediatric Academic Societies, Abstract: Obesity, Lessons from Smoking, Vancouver, BC, May 2010
106. BRAC School of Public Health, Global Health Workforce, Dhaka, Bangladesh, June 2010
107. Bangladesh Medical Research Council, US Healthcare Reform, Dhaka, Bangladesh, June 2010
108. Second Dan McNamara Lecture, American College of Cardiology, New Orleans, Louisiana, April 2011
109. Frank Batten School of Leadership and Public Policy, University of Virginia, Graduation Keynote Speaker, May 2011.
110. The Methodist Hospital, Houston, Texas, Transitional Cardiac Care Grand-Aides, June 2011.
111. MD Anderson Cancer Center, Houston, Texas, Supportive Care Grand-Aides, June 2011.
112. Clinton Global Initiative: Grand-Aides: Leveraging the Health Care Workforce, Chicago, Illinois, June 2011.
113. IOM Best Practice Innovation Collaborative: Grand-Aides Leveraging the Health Care Workforce, Washington, DC, July 2011.
114. Institute for Healthcare Improvement 13th Annual International Summit on Improving Patient Care in the Office Practice and the Community, Grand-Aides Leveraging the Health Care Workforce, Washington, DC, March 2012.
115. Commonwealth Fund International Symposium on Health Policy , “International Lessons for the Financial Sustainability of Health Systems,” Grand-Aides Leveraging the Health Care Workforce, Washington, DC, November, 2012.
116. Institute for Healthcare Improvement 24th Annual National Forum on Quality Improvement in Health Care, Grand-Aides Leveraging the Health Care Workforce Orlando, Florida, November, 2012.
117. Institute of Medicine, Graduate Medical Education Committee, Plenary lecture, The future US Health Care Workforce, Washington, DC, December 2012.

118. Fergus Macartney Lecture, International Colloquium of Pediatric Cardiology, Parma, Italy, June 2013.
119. Plenary, The Rodham Institute, "Improving the health care workforce for the underserved", Washington, DC, June 2013.
120. Institute of Medicine, Robert Wood Johnson Fellows, US Workforce, October 2013.
121. World Bank, Washington DC, The world's health care workforce, October 2013
122. Second Jerome Liebman Lecture, University Hospitals, Cleveland, Ohio, "The science and practice of pediatric cardiology in the next decade: workforce implications," April 2014.
123. Health Care Innovation Congress, Bogota, Colombia, The next decade in health care: Quality over quantity, July 2014.
124. Columbia University, New York, NY, Medical Professionalism in an organizational age. February 2015.
125. Brookings Institution, Health, Education and Economic Mobility in Low Income Neighborhoods: The Research in Place-Conscious Strategies April 2015
126. Brookings Institution, Contribution of paraprofessionals to health homes, November 2015.

SEMESTER COURSES:

1. Course Director, Myths, truths, and reality of US health care, Duke University Graduate course for Medical, Business, Law, and Public Policy graduate students. 1993-1995.
2. Course Co-Director, The next US Health care system, Rice University MBA students, 2001-2002.
3. Course Co-Director, The US health care system and its place in the world, simultaneous live video Vanderbilt, Cornell, University of Virginia, University of Texas School of Public Health, medical, policy and public health students, 2012-2015.

**POSTGRADUATE
COURSES AND SYMPOSIUM
FACULTY:**

1. Course Co-Director, " Diagnosis and Treatment of Cardiac Dysrhythmias in Children", American College of Cardiology Extramural Course, Houston, Texas, May 1980
2. Faculty, "Decisions in Clinical Pediatric Cardiac Surgery", American College of Cardiology, Bethesda, Maryland, June 1981
3. Course Co-Director, "Pediatric Electrophysiology, Electrophysiology and Pacing", American College of Cardiology, Bethesda, Maryland, January 1982
4. Faculty, "Intensive Care of the Pediatric Cardiac Patient", Corpus Christi, Texas, July 1982
5. Faculty, Symposium: "Calcium Blocking Agents in Pediatrics", American Academy of Pediatrics, October 1982
6. Course Co-Director, "Pediatric Electrocardiography and Electrophysiology: The Unknown Approach", American College of Cardiology, Bethesda, Maryland, February 1983
7. Faculty, "Arrhythmias and Pacing in the Young", Mini-Course, American College of Cardiology, New Orleans, Louisiana, March 1983
8. Faculty, "Pharmacologic Manipulation of the Circulation in Pediatric Patients", American Society of Critical Care, May 1983
9. Faculty, "Intensive Care of the Pediatric Cardiac Patient", Corpus Christi, Texas, July 1983
10. Faculty, "Clinical Decisions in Pediatric Cardiology", American College of Cardiology, Bethesda, Maryland, September 1983
11. Faculty, Symposium: "Management of Cardiac Arrhythmias in Children", American Academy of Pediatrics, San Francisco, California, October 1983

12. Faculty, "Physiological Cardiac Pacing for Tachydysrhythmia Control", Houston, Texas, February 1984
13. Faculty, "Pediatric Cardiac Cauterization - Update - 1984", American College of Cardiology, Bethesda, Maryland, April 1984
14. Faculty, "Decision Making in Congenital Heart Disease", San Diego, California, May 1984
15. Faculty, "Sudden Cardiac Death", Bethesda Conference Number 15, Bethesda, Maryland, May 1984
16. Faculty, "How to Perform and Interpret Clinical Electrophysiologic Studies", Philadelphia, Pennsylvania, June 1984
17. Faculty, "Acute Care Pediatrics: Review and Update of the State of the Art", Hilton Head Island, South Carolina, June 1984
18. Faculty, "The Role of Programmed Electrical Stimulation in Evaluation of Investigational Antiarrhythmic Drugs", National Institutes of Health, September 1984
19. Co-Chairman, "Ethical Aspects of Fetal Echocardiography", American Academy of Pediatrics, Chicago, Illinois, September 1984
20. Chairman, Symposium, "New Concepts in the Pharmacologic and Surgical Management of the Fetus, Infant and Child with Cardiac Arrhythmias", American Heart Association, Miami, Florida, November 1984
21. Faculty, "Cardiology of the Infant, Child and Adolescent", American Academy of Pediatrics Continuing Education Course, Las Vegas, Nevada, January 1985
22. Co-Chairman, Symposium, "Conduction and Rhythm Disturbances in Congenital Heart Disease", American College of Cardiology, Anaheim, California, March 1985
23. Chairman, Symposium, "Electrophysiological Testing in Children Indications and Interpretation", American College of Cardiology, Anaheim, California, March 1985
24. Faculty, "Fulguration and Laser in Cardiac Arrhythmias", Paris, France, April 1985
25. Course Director, "Pediatric Electrophysiology and Pacing", University of Puerto Rico, San Juan, Puerto Rico, April 1985
26. Faculty, Symposium, "Postoperative Arrhythmias in Children", North American Society of Pacing and Electrophysiology, Toronto, Canada, May 1985
27. Course Director, "Arrhythmias in Children", University of Parma, Parma, Italy, May 1985
28. Faculty, "Specialty Review in Pediatric Cardiology", Chicago, Illinois, May 1985

29. Faculty, "Three Days of Cardiology", Children's Hospital Medical Center, Boston, Massachusetts, May 1985
30. Faculty, "Clinical Decisions in Pediatric Cardiology", American College of Cardiology, Bethesda, Maryland, September 1985
31. Faculty, "Cardiovascular Teaching Techniques" American College of Cardiology, Bethesda, Maryland, October 1985
32. Faculty, Symposium, "Mechanisms and Treatment of Supraventricular Tachycardia in Children", American Heart Association, November 1985
33. Co-Chairman, Symposium, "The Present and Future of Pediatric Cardiology", Parma, Italy, May 1986
34. Chairman, Symposium, "Use of Newer Antiarrhythmic Drugs", North American Society of Pacing and Electrophysiology, New Orleans, May 1986
35. Faculty, "Cardiovascular Teaching Techniques", American College of Cardiology, Bethesda, Maryland, October 1986
36. Course Director, "Advances in the Diagnosis and Treatment of Arrhythmias in Children", University of Chile, Santiago, Chile, October 1986
37. Chairman, Symposium, "Improving the Quality and Quantity of Pediatric Cardiology Research - A Dialogue with The NIH", American Academy of Pediatrics, Washington, D.C., October 1986
38. Faculty, "Pediatric Emergency Medicine", Salt Lake City, Utah, February 1987
39. Faculty, "Newer Antiarrhythmic Drugs in Children", American College of Cardiology, New Orleans, Louisiana, March 1987
40. Faculty, "Advances in Surgical Treatment of Arrhythmias in Children", American College of Cardiology, New Orleans Louisiana, March 1987
41. Course Director, "Advances in Pediatric Arrhythmias", Celle, Germany, May 1987
42. Course Co-Director, "Pediatric Arrhythmias, Electrophysiology and Pacing", American College of Cardiology, Bethesda, Maryland, June 1987
43. Course Director, "Pediatric Arrhythmias: U.S., Europe, U.S.S.R.", Assisi, Italy, September 1987
44. Faculty, "Surgery for Congenital Heart Defects", London, England, September 1987

45. Chairman, Symposium, "Featured Research in Pacing and Electrophysiology", North American Society of Pacing and Electrophysiology, Los Angeles, California, May 1988
46. Course Director, "Patient Management Decisions in Pediatric and Congenital Heart Disease: A Board Review Course", American College of Cardiology, Bethesda, Maryland, September 1988
47. Chairman, Symposium, "Medical Communication", American Academy of Pediatrics, Cardiology Section, San Francisco, California, October 1988
48. Faculty, "Cardiology Update: Society for Military Medicine", San Francisco, California, October 1988
49. Course Director, "Arrhythmias in Infants and Children", Brazilian Society of Cardiology, Rio de Janeiro, Brazil, November 1988
50. Course Director, "Pediatric Arrhythmias Update", Hopital Enfants Malades, Paris, France, March 1989
51. Faculty, "Pacemakers in Children", American College of Cardiology, Anaheim, California, March 1989
52. Chairman, Symposium, "Featured Research in Pacing and Electrophysiology", North American Society of Pacing and Electrophysiology, Toronto, Canada, May 1989
53. Faculty, "Embryonic Origins of Defective Heart Development", New York Academy of Sciences, Washington, D.C., May 1989
54. Faculty, "Neonatal Cardiology", Ross Scholars Program, Santa Fe, New Mexico, June 1989
55. Course Co-Director, "Pediatric Arrhythmias, Electrophysiology and Pacing", American College of Cardiology, Bethesda, Maryland, June 1989
56. Faculty, First Congress on Arrhythmias in Infancy, Bari, Italy, June 1989
57. Faculty, "Advances in the Management of Ventricular Arrhythmias", Puerto Vallarta, Mexico, November 1989
58. Chairman, Symposium, "Incessant Arrhythmias", Third World Congress, of Pediatric Cardiology, Bangkok, Thailand, December 1989
59. Faculty, "Current Concepts in the Study and Management of Atrial Arrhythmias", Lyon, France, December 1989
60. Faculty, "The Adult with Congenital Heart Disease", American College of Cardiology, San Diego, California, January 1990

61. Chairman, Symposium "Sudden Death in Children", World Congress of Cardiology, Manila, Philippines, February 1990
62. Faculty, Symposium "Controversies in Cardiology", American College of Cardiology, New Orleans, Louisiana, March 1990
63. Course Director, "Arrhythmias in Children", American Academy of Pediatrics, Seattle, Washington, May 1990
64. Faculty, "Congenital Heart Disease in Adolescents and Adults", Erasmus University, Rotterdam, The Netherlands, May 1990
65. Faculty, Symposium "Intraoperative Techniques in Tachycardia Management", North American Society of Pacing and Electrophysiology, San Diego, California, June 1990
66. Faculty, "Advances in Pediatric Cardiology", Cook County Graduate School of Medicine, June 1990
67. Faculty, "Current Perspectives in the Problem of Sudden Cardiac Death", American Heart Association, Dallas, Texas, September 1990
68. Faculty, Bethesda Conference Number 22 "The Adult with Congenital Heart Disease", American College of Cardiology, Bethesda, Maryland, October 1990
69. Faculty, Symposium, "The Adult with Congenital Heart Disease, American College of Cardiology, San Diego, California, January 1991
70. Faculty, Symposium, Tetralogy of Fallot, American College of Cardiology, Atlanta, Georgia, March 1991
71. Faculty, Symposium, "Issues in Pediatric Arrhythmia and Pacing", American College of Cardiology, Atlanta, Georgia, March 1991
72. Faculty, Symposium, "Approach to the Adult Survivor after Repair of Congenital Heart Disease", American College of Cardiology, Atlanta, Georgia, March 1991
73. Faculty, "Policy Issues in Pharmaceutical Regulation", Philadelphia, Pennsylvania, March 1991
74. Faculty, Symposium, "Pediatric Cardiology 1991", Prague, Czechoslovakia, May 1991
75. Chairman, Symposium, "The Adult with Arrhythmias after Repair of Congenital Heart Disease", Ninth World Symposium on Pacing and Electrophysiology, Washington, D.C., May 1991
76. Course Co-Director, "Pediatric Electrocardiography, Electrophysiology and Pacing", American College of Cardiology, Bethesda, Maryland, June 1991

77. Chairman, Symposium, "Health Policy Issues in Pediatric Cardiology", American Academy of Pediatrics, New Orleans, Louisiana, October 1991
78. Faculty, "The Adult with Congenital Heart Disease", American College of Cardiology, San Diego, California, January 1992
79. Faculty, Symposium, "The New F.D.A. and A.C.C.M.E. Guidelines: Education or Promotion?", Philadelphia, Pennsylvania, March 1992
80. Faculty, Symposium, "Management Strategies in Complex Congenital Heart Disease", The Mayo Clinic, Phoenix, Arizona, March 1992
81. Faculty, Symposium, "Transposition of the Great Vessels", Paris, France, March 1992
82. Faculty, Symposium, "Postoperative Pediatric Cardiac Dysrhythmias", Hannover, Germany, April 1992
83. Chairman, Symposium, "Complex Neonatal Arrhythmias", American College of Cardiology, Dallas, Texas, April 1992
84. Chairman, Symposium, "Advanced Invasive Management of Arrhythmias in Children", North American Society of Pacing and Electrophysiology, Chicago, Illinois, May 1992
85. Faculty, Symposium, "Critical Care Pediatrics", Hilton Head, South Carolina, June 1992
86. Faculty, Symposium "Health Policy and the Practicing Physician," University of Virginia, Charlottesville, Virginia, September 1992
87. Faculty, Symposium, "Health Care Financing for Children with Heart Disease", American Academy of Pediatrics, San Francisco, California, October 1992
88. Faculty, Symposium, "Repolarization and the QT Interval", Symposium on new drugs and devices, Philadelphia, Pennsylvania, October 1992
89. Faculty, Symposium "Congenital Heart Disease in the Adult, American College of Cardiology, San Diego, California, January 1993
90. Course Co-Director. "Pediatric Arrhythmias, Electrophysiology and Pacing", American College of Cardiology, Bethesda, Maryland, January 1993
91. Faculty, Symposium "Complex Treatment of Tachyarrhythmias" American College of Cardiology, Anaheim, California, March 1993
92. Faculty, Symposium, "Healthcare Reform and Cost-Effectiveness", North American Society of Pacing and Electrophysiology, San Diego, CA, May 1993

93. Faculty, Symposium, "Catheter Ablation for Accessory Connections," North American Society of Pacing and Electrophysiology, San Diego, California, May 1993
94. Faculty, Symposium, "Post Operative Arrhythmias" North American Society of Pacing and Electrophysiology, San Diego, California, May 1993
95. Faculty, Symposium, "Sudden Death in Children" Sudden Arrhythmic Death Syndromes Foundation, Philadelphia, Pennsylvania, May 1993
96. Faculty, Symposium, "Pediatric Update", University of Texas, San Antonio, Texas, June 1993
97. Faculty, Symposium, "Cardiac Electrophysiology: Cell to Bedside," Aurora, Colorado, August 1993
98. Faculty, Adult Cardiology Board Review Course, Indianapolis, Indiana, September 1993
99. Course Director, "Congenital Heart Disease in the Adult", American College of Cardiology, Bethesda, Maryland, September 1993
100. Faculty, Annual Meeting, Puerto Rican Heart Association, San Juan, PR, September 1993
101. Faculty, Symposium, "State of the Art: Atrial Arrhythmias", American Heart Association, Dallas, Texas, October 1993
102. Faculty, Symposium, Pediatric Cardiology Training, American College of Cardiology, March 1994
103. Course Director, "Arrhythmias in Children", University of Parma, Parma, Italy, April 1994.
104. Faculty, Symposium, Public Policy and Economic Trends in Healthcare. North American Society of Pacing and Electrophysiology, Nashville, Tennessee, May 1994
105. Faculty, "Pediatric Cardiology Update", American College of Cardiology, Bethesda, Maryland, June 1994
106. Faculty, Symposium "Cost-Effectiveness of Antiarrhythmic Treatment," Cardiostim, Nice, France, June 1994
107. Faculty, Bethesda Conference 26, Core Training in Cardiology, Bethesda, Maryland, June 1994
108. Faculty, "Cardiovascular/Cerebral Interactions", University of Tennessee, Sandestin, Florida, July 1994

109. Faculty, Symposium, "Pediatric Cardiology Workforce Issues", American Academy of Pediatrics, Dallas, Texas, October 1994
110. Faculty, Symposium, "Pediatric RBRVS," American Academy of Pediatrics, Dallas, Texas, October 1994
111. Co-Director, Symposium, "Scientific Conference on Personal and Public Safety Issues Related to Arrhythmias that may Impair Consciousness," American Heart Association, Washington, D.C., January 1995
112. Course Co-Director, Pediatric Arrhythmias, Electrophysiology and Pacing, American College of Cardiology, Bethesda, Maryland, January 1995
113. Faculty Symposium, "Pediatric Update," U.S. Armed Services, San Francisco, California, March 1995
114. Chairman, Symposium, "Practice Issues in Pediatric Cardiology," American College of Cardiology, New Orleans, Louisiana, March 1995
115. Chairman, Symposium, "Tachyarrhythmias in Children", American College of Cardiology, New Orleans, Louisiana, March 1995
116. Faculty, Symposium "Quality of Care in Managed Care," Medical Review of North Carolina, Raleigh, North Carolina, April 1995
117. Chairman, Symposium, "Health Policy Update," North American Society of Pacing and Electrophysiology, Boston, Massachusetts, May 1995
118. Faculty, Symposium, "Controversies in Pediatric Electrophysiology," North American Society of Pacing and Electrophysiology, Boston, Massachusetts, May 1995
119. Faculty, Symposium, "Pediatrics in Perspective," Erasmus University, Rotterdam, The Netherlands, May 1995
120. Co-Chairman, Symposium, "Diagnosis and Treatment of Arrhythmias in Children," University of Uppsala, Uppsala, Sweden, May 1995
121. Faculty, Symposium, "Management of Arrhythmias in Children", Finnish Cardiac Society, Helsinki, Finland, October 1995
122. Course Director, "Syncope, Palpitations and Sudden Death in Children", American Academy of Pediatrics, San Francisco, California, October 1995
123. Faculty, Symposium, "Managed Care and Physician Payment", American Academy of Pediatrics, San Francisco, California, October 1995
124. Course Co-Director, "Congenital Heart Disease in Adults", American College of Cardiology, Bethesda, Maryland, January 1996

125. Faculty, Symposium, "First International Symposium on Arrhythmogenic Right Ventricular Dysplasia and Cardiomyopathy", Paris, France, June 1996
126. Chair, Symposium, "Ventricular Tachycardia", Cardiostim, Nice, France, June 1996
127. Faculty, Symposium, "The Pediatrician and Managed Care," Medical College of Virginia, Virginia Beach, Virginia, July 1996
128. Faculty, Symposium, "Primary Care Physicians and Managed Care", Universiti Kebangsaan, Kuala Lumpur, Malaysia, August 1996
129. Faculty, Symposium, "Managed Care and RBRVS." American Academy of Pediatrics, October 1996
130. Director, Symposium, "Productivity in Academic Health Centers." Association of American Medical Colleges, Washington, DC, January 1997
131. Course Director, "Pediatric Electrophysiology, Arrhythmias and Pacing." American College of Cardiology, Bethesda, Maryland, January 1997
132. Faculty, Symposium, "Acute Care Pediatrics." Hilton Head, South Carolina, June 1997
133. Faculty, Symposium, "International Approaches to Cost Effectiveness," Brazilian Society of Cardiology, Sao Paulo, Brazil, September 1997
134. Faculty, Symposium, "Sudden Death," Argentine Society of Cardiology, Buenos Aires, Argentina, September 1997
135. Faculty, Symposium, "Managing the Academic Enterprise," Association of American Medical Colleges, Washington, D.C., January 1998
136. Faculty, Symposium, "The Future of Academic Cardiology," American College of Cardiology, Bethesda, Maryland, September 1998
137. Faculty, Symposium, "Academic Performance Improvement," Association of Academic Health Centers, Tucson, Arizona, September 1998
138. Course Director, "Pediatric Arrhythmias, Electrophysiology," and Pacing, American College of Cardiology, Bethesda, Maryland, January 1999
139. Faculty, Symposium, "Definition of Myocardial Infarction," European Society of Cardiology, Sofia Antipolis, France, July 1999
140. Chair, Symposium, "Adult Congenital Heart Disease," Interamerican Congress of Cardiology, Buenos Aires, Argentina, August 1999
141. Chair, Symposium, "Sexuality in Heart Disease," European Society of Cardiology, Barcelona, Spain, August 1999

142. Chair, Symposium, "Practice Guidelines," Japanese College of Cardiology, Yokohama, Japan, September 1999
143. Chair, Symposium, "International Health Policy," French Cardiac Society, Paris, France, 2000
144. Chair, Symposium, "Performance Measures in Cardiology," American Heart Association/American College of Cardiology, Washington, D.C., April 2000
145. Chair, Symposium, "Sudden Cardiac Death in the Young," North American Society of Pacing and Electrophysiology, Washington, D.C., May 2000
146. Faculty, Symposium, "Principles for International Healthcare Systems," American College of Cardiology, San Juan, Puerto Rico, May 2000
147. Chair, Symposium, "Healthcare Reform Summit," American College of Cardiology, Bethesda, Maryland, June 2000
148. Chair, Symposium, "Healthcare Reform," Texas Medical Association, Dallas, Texas, July 2000
149. Chair, Symposium, "Access to Healthcare," Bethesda Conference, American College of Cardiology, October 2000
150. Chair, Symposium, "Faculty Performance Measures," Association of American Medical Colleges, July 2000
151. Chair, Symposium, "Syncope and Sudden Death," American Heart Association, San Juan, Puerto Rico, October 2000
152. Course Director, "Pediatric Arrhythmia as Electrophysiology and Pacing," American College of Cardiology, Bethesda, Maryland, January 2001
153. Chair, Symposium, "Incremental Approaches to the Uninsured," American College of Cardiology, Orlando, Florida, March 2001
154. Chair, Symposium, "Implantable defibrillators in the Young," North American Society of Pacing and Electrophysiology, Boston, Massachusetts, May 2001
155. Chair, Symposium, "Arrhythmias in the Young," World Congress of Pediatric Cardiology, Toronto, Canada, May 2001
156. Faculty, Symposium, "Academic Health Centers 2020," The Commonwealth Fund, Washington, DC, October 2001
157. Faculty, Symposium, "Regionalization of Healthcare.," American College of Cardiology, Orlando, Florida, March 2002

158. Chair, Symposium, "Screening Electrocardiography," European Society of Cardiology, Nice, France, April 2002
159. Chair, Symposium, "Legislative and Regulatory Issues," North American Society of Pacing and Electrophysiology, May 2002
160. Chair, Symposium, "Molecular Biology of Arrhythmogenesis" Cardiostim, Nice, France, May 2002
161. Faculty, Symposium, "International Approaches to Quality Healthcare," American Heart Association, American College of Cardiology, Washington, DC, October 2002
162. Chair, Symposium, "New Approaches to Access and Quality of Care," American Heart Association – American College of Cardiology, Washington, DC, October 2002
163. Chair, Symposium, Congenital Heart Disease in the Adult, American College of Cardiology, Chicago, Illinois, March 2003
164. Chair, Symposium, "The Changing Profile of Congenital Heart Disease in Adults", American Heart Association, New Orleans, Louisiana, November, 2003
165. Faculty, Symposium, Health Care Reform Summit, American Association of Family Physicians, Chicago, Illinois, November, 2004
166. Chair, Symposium, Optimazation of Resynchronization Therapy, American College of Cardiology, Orlando, Florida, March 2005
167. Chair, Symposium, "Asymptomatic Patient with WPW Should Always Be Ablated", Fourth World Congress, Pediatric Cardiology, Buenos Aires, Argentina, September, 2005
168. Chair, Symposium, "Quality of Care of Our Patients", Fourth World Congress, Pediatric Cardiology, Buenos Aires, Argentina, September 2005
169. Director, Symposium, "Tackling Medicaid", Academic Health Centers, Washington, DC, November 2005
170. Chair, Symposium, "Creating a Culture of Philanthropy", Association of American Medical Colleges, Seattle, Washington, October 2006
171. Baker Institute, Rice University, "Health Care Half Truths: Too Many Myths, Not Enough Reality", February 2007
172. Faculty, Symposium, "Health Care Half Truths: Too Many Myths, Not Enough Reality", XIV Puerto Rican Congress of Cardiology, Fajardo, Puerto Rico, July 2007
173. Chair, Symposium, Health Care Reform, Association of American Medical Colleges, Washington, DC, November 2007

174. Director, Symposium, Universitas 21, Worldwide Research, Sydney, Australia, August 2007
175. Association of American Universities, Annual Meeting Symposium, "Academic and Enterprise Risk Management, Laguna, California, September 2008
176. Association of American Medical Colleges, Leadership Forum, Washington, DC, December, 2008
177. Chair, Symposium, American College of Cardiology, States and Reform, February 2009
178. Congressional Quarterly Health Policy Forum – Prospects for Reform, Washington, DC, June 2009.
179. Faculty, Symposium, Pediatric Academic Societies, Abstract: Obesity, Lessons from Smoking, Vancouver, British Columbia, May 2010.
180. Faculty, Symposium, Institute of Medicine, Graduate Medical Education Committee, Plenary lecture, The future US Health Care Workforce, Washington, DC, December 2012.
181. Faculty, Health insurance for cardiac patients. American College of Cardiology, San Francisco, CA, March 2013
182. Faculty, "Meet the Experts: Addressing readmissions in cardiac patients." American College of Cardiology, San Francisco, CA, March 2013.
183. Keynote panel, "Wellness in the older adult," Duke-National University of Singapore, April, 2013.
184. Faculty. "Enabling innovation in human capital: applying lessons from around the world," International Partnership on Innovative Healthcare Delivery, Washington, DC, April, 2013.
185. Keynote panel, "Reengineering of the American healthcare workforce – Aligning with the needs of an integrated system," World Health Care Congress, Washington, DC, April 2013.
186. Chair, symposium, "Accountable Care Organizations and quality care," 11th Annual World Health Care Congress, Washington, DC, April 2014.
187. Chair, Symposium, "New models of health care delivery," National Pediatric Symposium, Children's Hospital Association, April 2014.
188. Presidential panel, "Affordable Care Act implementation: Impact on patients, and providers, American College of Cardiology, Washington, DC April 2014.

189. Faculty, Symposium, "Medical professionalism in an organizational age," Columbia University, New York City, February 2015.
190. Faculty, Symposium, "Health, Education and Economic Mobility in low income neighborhoods: The research in 'place-conscious' Strategies," Brookings Institution, April 2015.

PRESENTATIONS:

1. Garson A, Gillette PC. Electrophysiologic and pharmacologic characteristics of automatic ectopic supraventricular tachycardia. American College of Cardiology, Las Vegas, NV, March 1977.
2. Garson A, Jacobsen J, Gillette PC, McNamara DG. Premature ventricular contractions in normal children. American Academy of Pediatrics, New York, NY, November 1977.
3. Garson A, McNamara DG, Cooley DA. The adult following intracardiac repair of tetralogy of Fallot. American College of Cardiology, Anaheim, CA, March 1978.
4. Garson A. Supraventricular tachycardia in children. Indonesian Congress of Cardiology, Surabaya, Indonesia, September 1978.
5. Garson A, Gorry GA, McNamara DG, Cooley DA. Decision analysis in tf. American College of Cardiology, Anaheim, CA, March 1978.
4. Garson A. Supraventricular tachycardia in children. Indonesian Congress of Cardiology, Surabaya, Indonesia, September 1978.
5. Garson A, Gorry GA, McNamara DG, Cooley DA. Decision analysis in tetralogy of Fallot. VIII World Congress of Cardiology, Tokyo, Japan, September 1978.
6. Garson A, Gillette PC, McNamara DG. Control of ventricular dysrhythmias in ambulatory children and young adults after cardiac surgery. American College of Cardiology, Miami, FL, April 1979.
7. Garson A, Gillette PC, Gutgesell HP, McNamara DG. Stress-induced ventricular ectopy after tetralogy of Fallot repair. Society for Pediatric Research, Atlanta, GA, May 1979.
8. Garson A, Gillette PC, McNamara DG. Treatment of chronic ventricular dysrhythmias in the young. American Academy of Pediatrics, San Francisco, CA, October 1979.
9. Garson A, Gillette PC, McNamara DG. Propranolol: the preferred palliation for tetralogy of Fallot. American Heart Association, Anaheim, CA, November 1979.
10. Garson A. Diagnosis and treatment of supraventricular and ventricular dysrhythmias in children. Philippine College of Cardiology, Manila, Italy, May 1980.
