

REQUEST:

What are the rates/incidence/ of pediatric STDs in the Greater Houston Area?

RESPONSE:

The following data are provided by the Texas Department of State Health Services and are the most recent that they have compiled:

Table: STD Diagnoses and Rates in Harris County by Select Age Groups, 2015

	Select Age Groups					
	0-9		10-14		15-19	
	Count	Rate	Count	Rate	Count	Rate
<b>STD</b>						
<b>Chlamydia</b>	25	3.6	217	65.1	6768	2194.5
<b>Gonorrhea</b>	8	1.1	66	19.8	1736	562.9
<b>Syphilis</b>	14	2	4	1.2	122	39.6

Rates are per 100,000 population.
